

Rising Hope Farm

Fun, Hope and Healing for the Special Needs Community

We serve as a non-profit therapeutic riding facility and use equestrian activities for the purpose of contributing positively to the cognitive, physical, emotional and social well-being of those with disabilities. We can also provide individualized activities for senior citizens, car wreck victims and amputees. We offer services to our military through a program called Horses for Heroes.

Along with Hospice, Rising Hope Farms can assist those who have recently experienced the death of a loved one by supporting the grieving process through horse interaction.
